Special Notices:

Range fees and nominations must be paid as well as your name and license/membership details entered onto the Attendance Sheet prior to shooting. There are no exceptions to this rule!

Gun Licences, Minors' Permits and Membership Cards must be shown to the Official in charge. Visitors and non-shooters must also sign in for insurance purposes.

All competitors must consider the safety and comfort of others. No firearm is to be discharged on the range until instructed to do so by the appointed Range Officer. Hearing protection must be worn on the shooting line at all times.

Juniors and novice shooters are especially welcome at our range.

Currently, there are no catering facilities at the range. Please bring your own lunch and refreshments.

As a courtesy, it is important that you call 03 6263 7461 or 0429 057 506 to confirm your intention to attend any scheduled Practice Day. This is so the on-duty Range Officer can plan to open if there are enough shooters to warrant it. Otherwise, if there are no confirmation calls, the range may not open or it may be closed by 10:30am.

SSAA Tasmanian Deerstalkers Inc. 2012 Shooting Roster
